

From reaction to action

Be prepared to be future-fit

Business sustainability

If you want to reduce costs, need help with cash-flow challenges, need advice on helping your employees work remotely or are looking to improve productivity, we can provide the solutions:

Workforce analytics

Mercer flexible work arrangement diagnostic

Ben 19 Halodoc Telemedicine

HR transformation (target interaction model)

Strategic workforce planning

HR ops scanner

Workforce adaptability

Take control of workforce adaptability by actively listening to your employees, managing your talent pipeline and succession issues, and getting help to manage labor costs or strengthen flexi-working arrangements. Our solutions in total rewards, reskilling and assessments can support your workforce with a new way of working.

Employee pulse survey

Remesh Employee virtual focus group

Market benchmark analysis

Rewards adjustment strategy

Employee skills gap assessment

Training program effectiveness

Employee well-being

When it comes to your employees' well-being, we can advise on the right incentives to look after their physical, financial and emotional health.

Ben 19 Halodoc Telemedicine

CelfitTV Virtual fitness

COVID-19 rapid testing

Financing and cash flow need
Governance, impact investing (ESG) and investment strategy

Integrated well-being package

Pension, DPLK or employee retirement savings support
